

MAHAD AHMAD

MERN STACK DEVELOPER | UI/UX DESIGNER

Motivated and detail-oriented MERN stack developer with a strong foundation in building responsive, user-friendly web designs & applications. Passionate about creating reliable full-stack digital experiences and delivering high-quality work.

ABOUT ME

A motivated and detail-oriented MERN stack developer and UI/UX designer with hands-on experience in building modern web applications. Skilled in MongoDB, Express.js, React, and Node.js, with a strong understanding of HTML, CSS, JavaScript, APIs, and user-centered UI/UX design. Committed to creating intuitive interfaces, writing clean scalable code, and contributing to a collaborative development team.
